The reviews of the South Street Café, first for you? I work in the building where this café is, so I've ate here many times. I'm not sure if this is a family business, but the same people work here every day, so I say it is. are the sweetest people in the world! Even if you don't eat there all the time they seem to remember you. The food is always good and they are very fast, so you are not waiting forever. I've never had a complaint. Prices are reasonable and they have breakfast and lunch options. The menu is basically sandwiches and wraps and some hot dishes, but it's perfect for busy professionals on the go like the ones who work in this building.
